

## TASTING OF THE CAMPUS COACHES

The Campus Coaches help you to excel and flourish as a researcher by providing a network that loves and supports research, a "place to PhD". One of the ways in which we accomplish this, is the so-called tasting. Our tasting is an ideal opportunity to get to know our different fields of expertise. The program is as follows:

- 14.15 – 14.30 h Entrance with coffee and tea
- 14.30 – 14.45 h Word of welcome and pitches from the Campus Coaches
- 14.45 – 15.05 h First round of tastings
- 15.05 – 15.15 h Time to change rooms and get coffee and tea
- 15.15 – 15.35 h Second round of tastings
- 15.35 – 15.45 h Time to change rooms and get coffee and tea
- 15.45 – 16.05 h Third round of tastings
- 16.05 – 16.45 h Plenary closure followed by drinks

**The Campus Coaches are happy to organize a tasting at your university.**

**Do you want a tasting at your university, research/graduate school too?**

# CAMPUSCOACHES

## TASTING OF THE CAMPUS COACHES

A glance at our expertise which you can taste from:

- Writing is easy: a technique to write more effectively and efficiently.
- Solution focused coaching: learn to come up with and craft your own solutions.
- Dilemma counseling and penetrating oil consult: for seeing clearly, thinking neatly and common wisdom.
- The self-employed doctor: explore the opportunities of self employment after your PhD.
- Socratic intervision: group session for deepening existential/philosophical (life) questions.
- Research constellations: explore the dynamics behind questions and difficulties and illuminate hidden forces.
- Pantoum: grasp the essence of your question with the use of the rules of the Tibetan Pantoum poem.
